HOW TO BOOK?

1

Make your reservation through our website. Even if you don't know the total number of children, it's not a problem, as long as it's more than 10.

2

You must make a 50% payment at the time of booking as a deposit. The remaining 50% must be paid on the day of the birthday party at the park.

3

In the "Participants" section, you will need to indicate if the children have any allergies or intolerances.

4

1-2 days before the birthday, you will receive a call from the park to confirm the total number of children attending and the detailed menu for each of them.

A TENER EN CUENTA

- ▶ Within the menu options, **each child can choose their favorite snacks.**
- ▶ Access to the VIP area is limited to **5 parents per group.**
- ▶ **Jumping time will always take place first, followed by the meal.**
After the snack, everything on the table will be cleaned and collected.
- ▶ **If more attendees arrive than confirmed,** it cannot be guaranteed that they can enter the park with the rest of the children. It will depend on the capacity at the time of the party.
- ▶ **If the minimum of 10 children is not reached,** the stipulated minimum number of children will be charged. If there are absentees on the day of the party, a fee of €5 will be charged for each confirmed and not present child.
- ▶ **In the event of party cancellation,** the amount paid as a deposit will not be refunded, but a voucher will be provided for a future visit to the park.

POTENTIAL WEATHER INTERRUPTIONS

Our team will contact you 48 hours before the scheduled birthday date. During this communication, **possible adverse weather conditions** (rain or strong wind) will be assessed, and three available alternatives will be presented:

- 1 Rescheduling the birthday date:**
In this case, we will work to find the nearest available date based on availability.
- 2 Full refund option:**
If the decision is made to cancel the event, we offer the possibility of a complete 100% refund of the amount paid.
- 3 Celebration of the meal without the jumping activity:**
If, after the weather assessment, the choice is to proceed with the celebration despite the forecasted rain or wind, and on the day of the celebration, weather conditions make it impossible to do the jumping activity, guests can enjoy the snack and celebrate the birthday in our private room without the jumping activity in the park. In this case, a refund will be processed for the amount paid, excluding the snack cost (€8 per child).
